ONE IS ONE, TWO IS FUN, THREE YOU'LL CUM

CARNIVAL TIME

**Two Brazilians
celebrate
their way...
the hot way**

Our new vice president of international merchandising came from Rio de Janeiro, like me. When Carnival time came, he said he was homesick for the excitement and partying, so I told him I had made special costumes for us. His black eyes twinkled when he held up his sequined posing strap. "And what costume did you create for yourself?" I showed him the even smaller three sequined bits held together by almost invisible gold cords. His dark eyes smoldered, and he invited me to his apartment to celebrate.

Naked, he dangled the sequined fabric off the end of his caralho. It barely covered the already dripping head of his massive erection. "Your turn," he grinned. I struggled to get the slash of sparkling fabric of my g-string adjusted over my 5 foot 3 inch frame, and smooth, 20-year-old pussy, but the excitement of the moment swelled the moist lips and thrust my clit forward. My mound bloomed lush and pink.

He knelt in front of me. "At Carnival time I am noted for my deft handiwork." He slipped the fabric down and off my legs. "Though more for undressing than for dressing."

He leaned forward and pressed his full Latin lips against the full lips of my chochota. Sweet, warm lubricating fluids poured out of me and flowed over his flashing tongue as it flickered over my labia. His lips pressed harder; his tongue dug through the tender rolls of flesh and darted into my moist, yearning cavern.

He stroked up and down, plowing his way deeper. Shafts of heat crackled through my middle as he found my clit and flicked it with his tongue and then firmly suckled on it. I dug my fingers through his thick, dark hair and held on tight to the glossy waves.

His fingers joined his tongue and began to dance over the sensitive, wet tissue of my excited pussy. He thrust them in deep, plunging in and out of the hot, velvet tunnel. My knees grew weak, so I staggered backward to the sofa with my lover laughingly creeping along with me, his mouth glued to my fleshy mound.

I fell back on the down-filled pillows and spread my legs wide as sexy bossa nova rhythms filled the air. My Carnival king stretched his long, muscular

leg over me and propped it on the back of the sofa. His hard, dark meat throbbed enticingly above me. Thick globs of pre-cum bubbled out of its deep purple head.

He jerked the thin cords holding his costume in time with the music. The cup of sparkling fabric could barely contain the large, heavy ovals that dangled in the hairy leather sack beneath his eager dick. His shining shaft and his heavy Brazil nuts bounced to the sexy rhythms.

Then, impudently, he began to jack off. I watched as his hand gripped his hard shaft and slowly, deliberately skinned the throbbing dick. As I watched, I shimmed my body in an alluring rhythm. The head popped forth, swollen and strained under the peeled-back foreskin, then slowly disappeared into the sheltering, wrinkled cowl as he pushed his hand forward. The sight inflamed my pussy and made me want to finger myself.

Back and forth he dragged his tight fist while I watched and grew hotter. His meat seemed to enlarge and grow more rigid under the strong stroking. Faster and faster he beat his meat, until his breath came in gasps and his powerful body curled up. Suddenly, his huge, dangling balls drew up tight and, with a string of curses, he came. A streak of cum sailed over me, and then a quick succession of creamy shots of white cream splattered on my pussy.

"Fuck me!" I screamed, pointing my toes and stretching my legs wide as I pulled the wet lips of my pussy open. From many sessions with the mirror, I knew the alluring sight that greeted him.

With fiery eyes he threw his sequined codpiece aside. It took both his hands to direct his still-rock-hard dick at my gaping pussy, but only one thrust of his hips to drive the massive stake of flesh deep into my gaping lips. I screamed in ecstasy at the huge wave of pleasure that ripped into me.

My hips rolled back and forth as my lover plowed deep into my pink, velvet tissues, thrusting his hips violently. My nails dragged across his muscular chest. His pectorals jerked at my scraping; his nipples thrust out as hard as my own bouncing breasts. I clutched the brown buds and twisted viciously as he furiously plunged in and out of my sucking pussy.

Inside, my muscles slathered at the massive South American beef that ram-rodged in and out of me.

He grabbed my hips and lifted me up to meet his pounding attack. Over and over he drove himself into my sucking maw. His entire concentration was on his dick pummeling my pussy. His dark brow furrowed; his black eyes narrowed in concentration; his

jaw clinched. I could imagine him nailing a string of carousing young pussies during the height of Carnival, his unerring shaft going from one shrieking dark beauty to the next.

The music grew more intense. More pussy-juices poured down to lubricate the pounding piston. Sweat streamed down the rippling muscles of his body. He clutched my bouncing breasts and dug his fingers into the tender flesh, burying the protruding nipples deep into his sweaty palm.

With a powerful yell he came, pumping hot shots of manseed deep into my pussy. The music,

the lights, the sweaty dark muscles and the dick exploding inside me brought me to a searing orgasm. I gasped and shivered and flooded the firing Latin cannon with my hot love-juices. Wave after delicious wave of shattering climaxes rolled over me, matching the studly vice-president's potent volleys.

We lay entangled in each other, and then when we had caught our breaths, with a wicked grin, he led me in another wild dance. It was better than being back home in Rio for Carnival.

We've decided to celebrate Carnival every week.

from Clay in Missouri

Andrea does a mouth job in a dark theatre

When I met my blind date, Andrea, I groaned. She looked like she'd just stepped out of church: innocent as a newborn, with a round face like an angel, long, blonde hair, and shy. She was beautiful, I thought, but a virgin if I ever saw one. Boy, was I wrong.

She insisted we go to a movie I'd heard was a dud. Sure enough, there were only about three people

there. The movie wasn't on five minutes, though, when, without any warning, Andrea dropped her hand in my lap. And that wasn't all! She actually grabbed my cock through my pants. I almost gasped out loud. I heard her giggle. I didn't even look at her—but I sure didn't push her hand away, either.

She was petting my cock, trying to feel my balls through my pants, getting me all worked up. My cock became rock hard in nothing flat. She yanked it and tickled it, and I wasn't about to stop her. Hell, she sure was no virgin, not the way she handled my cock. And it wasn't even out of my pants yet.

While she played with my cock, she kept looking at the screen, as if nothing were happening below my belt. For that matter, I was acting the same way. My eyes were glued to the screen. I'd had quite a few girls in college, but this was the first time I'd ever made out with a chick in public. And to tell the truth, I was kind of excited at the thought of her playing with my cock with other people not too far away.

Then she unzipped me. At that point, it didn't surprise me. Her hand just seemed too determined. She stuck that hand in my fly and started playing with me through my shorts. Soon she was clawing at my cock and circling her fingers around my cockhead through my cotton briefs. I could feel pre-cum oozing out, and I was damn near burning up when she slid her finger around and around the piss-slit, setting my nerves on edge.

My elbows were clamped on the arms of the seat, my hands were clasped together, and I was fuckin' grinding my butt into the seat at the sensations she was stirring around down there in my lap. Then, suddenly she reached her hand lower way inside my pants, slipped her fingers into the leg of my shorts, and grabbed my nuts. Shoot, I nearly creamed right then and there, and I probably groaned louder than I should have in public.

But I calmed myself a little and held on, not wanting to come too soon, because I was just feeling so fine. Hell, the movie still had about an hour and a half to go, and I wouldn't have minded her play-

ing with my nuts for that whole time. I don't think she would have minded, either. She was acting totally nonchalant, watching the movie yet fondling my balls lovingly.

I peeked around to make sure no one was watching us, and nobody seemed to be, so I spread my legs wide to give her enough room to play. Andrea took that as a signal to go all the way. She grabbed the shaft of my cock and pulled it out of the fly of my pants.

Now I was getting a little worried because she was holding my stiff cock and pointing it up and out there for all to see. Again I looked around, but there was nobody to see. So far, so good. She was giving me one hell of a hand job.

Then I realized Andrea wanted to do more than jerk me off. She had a rubber and was sliding it down my cock. In an instant, her head fell into my lap. Now I did gasp because her lips circled over my cockhead, and she started lapping around and around it like it was a fuckin' ice cream cone. And man, if she kept sucking on that knob of mine much longer she was going to get some strong, thick cream to fill up that rubber in her mouth. I was snarling like a fuckin' wildcat—quietly, I hoped.

And Andrea went at it, blowing my cock like it had never, ever been blown before. She sucked up and down that shaft and all around it, downing that whole fucking shaft. She chugged it all the way inside her throat until her nose was stuffed inside my pants. I couldn't hold on any longer. I grabbed her head and strung my fingers through her long, blonde hair and pumped my cock into her face. She grabbed my balls, wrenched them, held onto them, and gobbled my cock. I pushed her head down all the way and kept it there, and hunched my ass up and fuckin' shivered because I was coming in her mouth. She was groaning and taking it all, cock, shaft, and the fucking cum shooting into the rubber.

After the movie, we went home. Andrea kept telling me how much she loved sucking on my cock. She was no innocent, that's for sure—but she was the best blind date I ever went on.

The secret sex rites of a religious sect

SEX CULTS: AN INSIDE LOOK

The belly dancer stopped short in her wild writhing gyrations and ripped off her jeweled G-string to expose her engorged vulva, drenched with the sweat running down the cleft between her naked breasts. With the grace of an athlete she bounded up the steps of the platform on which lay this well-hung new member of the sect, his cock standing erect and rigid, awaiting its baptism.

The girl straddled him, grasped the livid member with both hands and placed its head within the lips of her cunt. Then down she came with a bang that drove it far up into her pussy. As she did so, the guru struck a resounding blow upon the great brass gong and the leader rose, crying, "Now we offer our bodies to each other in the act of love, as we worship the god Siva, ruler of the universe."

The young man saw the devotees assembled at the other end of the hall take off their clothes and begin to couple. Each man took the woman next to him in his arms, threw her to the floor, and started fucking her. It was mass-copulation—the climax of the ritual of a so-called religious sect.

Thus did the inductee, an overgrown college student we'll call Mike, bear witness to the most extraordinary sexual experience of his lifetime. It began that afternoon as he walked home from school. A long, black limousine drew up alongside him at the curb and its chauffeur, a man in a Nehru Jacket and the white turban said, "Sir, please to enter the car. I will take you to the compound."

Mike knew about the cult and its leader. He'd often heard his parents discussing the strange goings-on in the big Victorian mansion where the crazy old woman lived with her congregation of young women devotees, Tibetan monks, Hindu mahatmas, and other religious characters she'd brought to America with her when they were expelled by the Indian government for immoral sexual practices, his father said. He had read in the papers of the frequent attempts of the ministers and the righteous ladies of the

churches to close down the place and deport these "demon" foreigners.

But the old lady held title to half the real estate on which the town was built. It had been her grandfather's farm. Her taxes paid a large part of the municipal budget. She contributed handsomely to the campaign funds of the governor and every other important state official.

Her story was the old familiar one of "the poor little rich girl." Her parents had been killed in an accident when she was five years old. She had been sent to Europe to be educated and eloped from school at the age of 16 with a dissolute French artist. She lived through the post-World War I years on the Left Bank with a crowd of expatriate Americans until her grandfather died, leaving her his immense fortune. She went to India, married a Rajah which gave her the title of Ranee.

She soon divorced him and took up with a local guru who was the leader of a small sect that practiced such far-out sex rites they were eventually forced to leave the country. She and the guru selected 50 of the youngest of the congregation and brought them back to the great estate in America she had inherited. She fenced off a thousand acres of farmland, repaired the huge ancestral mansion, greased the palms of a judge and the county officials, establishing a tax-free vegetarian community, as she called it, and carried on exactly as she had in India.

The Ranee met Mike on the portico of the old mansion. She greeted him in the Hindu fashion by bringing her hands together, placing the tips of her fingers and thumbs in the triangle to simulate the female sex organ as a sign of welcome. She led him through the house to the great hall, where the sect met each day for the sacred rituals.

This hall was windowless, lighted by many oriental chandeliers that cast a pale yellowish light through the incense-filled atmosphere. Around three sides of the room ran a frieze

of life-sized naked male and female bodies in every conceivable form of sexual connection—cunnilingus, fellatio, sodomy, and homosexual acts. The fourth side of the room was an alcove, now covered by curtains which concealed some mystery, Mike thought. In front of the alcove was a small dance floor.

At one side of the dance floor stood two high-backed

chairs out like a flagpole. At the sight a deep murmuring sound arose from the crowd of devotees on the long benches as they began to hum their mantra, “Ommmmm.... Ommmmm... Ommmm,” in praise of Siva, the god who sanctioned their sexual rites. Mike noticed that the pale, ravaged face of the old Ranee was burning red, her eyes bright and glittering with excitement. He wondered if these ceremonies would lead to

chairs of carved ebony, flanking a table on which there was a huge bronze gong and striking mallet. At the far end of the hall were rows of wide wooden benches capable of seating a hundred devotees who were now entering the hall and seating themselves to watch and take part in the ceremonies that were about to begin.

Mike noticed that the devotees were all very young, especially the women who wore only the sarong tied around their waists. When they sat down, the sarongs flapped open and Mike could see their beckoning pussies. The sight of these and the naked boobs above, many of which were painted vermilion, made the big muscle at the bottom of Mike's belly stir and harden. He sure would like to throw a fuck into some of those pussies. Maybe he'd get the chance during the ritual.

As they entered the hall, a tall man with shaved head and long white beard, came forward. “This is Guru Gurdyef,” said the Ranee. “He is our leader and will conduct your examination as a candidate for admission to our community.” She motioned to the Guru, who struck the big gong as a signal for the devotees to be seated. He struck the gong again and through a side door bounded two young women, stark naked, laughing and dancing and wriggling their hips like belly dancers. They ran up to Mike and took off all his clothes. Then they squatted themselves down on the floor beside the Ranee.

The man struck the gong for the third time and three girls walked into the room. They were naked, garlanded with wreaths of flowers and the tips of their upright budding tits were painted vermilion, the area over their pussies dyed scarlet.

The first girl held a long, blood-red cock's feather with which she began to tickle the tip of Mike's dick, hanging loose and limp. Instantly, the great member shot up to erection, jut-

ting out like a flagpole. He wondered what kind of a cunt she had and how she would use it, after a lifetime of debauchery.

The two other girls carried a crystal bowl of rose-scented warm water and a big fluffy Turkish towel. Together, they washed Mike's enormous hard-on, drying it with the towel and teasing it with their long, dark hair. They anointed it with an aromatic oil to make it soft and slick as it entered the cunt Mike was now sure they were preparing him to fuck.

One of the girls took the tip end of his cock between her lips and sucked off the tiny drops of cum that had appeared there. She licked her tongue around the edge of the glans, giving Mike a premonitory thrill. Another girl took his balls in both hands and massaged them gently. He felt a tiny finger pushing in and out of his asshole. He was almost at the point of ejaculation.

The Guru saw this, sprang to his feet and pulled Mike up to stand beside him on the dance floor. He began to intone, in a deep, priestly sounding voice like a chant, “My children, we have here a jiva, a young man generously endowed by nature with the sign of Siva, god of procreation. We will test him, by the Tantric method, for his ability to perform our sacred rites.”

The Guru reached down and raised Mike's dick so all the disciples could see its huge size. “The way of Tantra consists of three steps—purification, elevation, and the reaffirmation of the jiva's consciousness of self. You have seen the first two steps, the washing and the erection of the phallus. The jiva is now ready for the third step, in which his total vital essence will rouse itself from its coiled state and ascend into the shush Uma, or yoni, the dark channel of Sakti, the female element. There, they will unite in perfect bliss. I will now unveil the god so that he may witness and sanctify this holy union.”

The Guru then pulled the cord that released the long cur-

tains covering the alcove. They parted to show the statue of the god Siva seated in the lotus position, feet crossed in front of him, his huge fat body naked and draped with silken scarves; a ruby fixed in the middle of his forehead. At the sight of the image, fully eight feet high in its sitting position, the disciples threw themselves on their knees and raised the sound of their mantra to a high, keening sound that sent shivers through Mike's bones.

The Guru struck the gong again and a beautiful young woman, naked except for a jeweled G-string and golden rings around her wrists and ankles, came onto the dance floor. She was an oriental belly dancer; Mike recognized her at once from the pictures he had seen. She was brown-skinned, with long jet-black hair, and as she moved she swirled around her a long saffron yellow scarf, like the ones draped over the god's body.

The belly dancer bowed low before the statue of the god, then kneeled in front of the Ranee and the Guru seated in the high-backed chair. Alluring music came floating through the incense-laden air and she began her dance. She moved slowly at first, swaying her lithe body back and forth and sideways, circling around Mike standing in the center of the polished teakwood dancing floor.

Gradually she increased the tempo; the music flared into the high, skirling notes of flute and pipe. The drumbeat came louder, faster, as the girl began to grind her hips and rotate her belly, ever and anon, jerking up her vagina until it came closer to Mike's face. He smelled the hot cunt-odor, saw the thick, swollen lips of her vulva under the G-string, felt the rasp of

the air into the lap of the god-statue, and threw herself upon Mike. As she did so, two attendants ran out and placed a cushioned settee on the platform in front of the god. The dancing girl struggled to bring Mike down upon the seat to allow his swollen cock to slide straight up into her vagina.

She was strong and supple, slick all over with oil and sweat, slippery as an eel in Mike's arms. He managed to get her under him, thrust in his dick to the hilt, and felt the girl respond with powerful contractions and body movements such as he had never felt before.

He heard the great gong sound and the old Ranee cry, "Now we give our bodies to each other in the act of love, as we worship the great Siva, ruler of the universe." He saw the disciples taking off their clothes and begin to couple, each man fucking his woman in the position they preferred: some in the missionary way, others in the ancient fashion from behind, still others doing the cunnilingus. It was mass copulation, the climax of the rite of examination which was to bring Mike into the secret sex cult.

The belly dancer gave him everything she had—humping herself, twisting, turning, locking her legs over his back, thrashing her tits around his chest in the most provocative manner. She certainly was an expert at her business, far beyond the women Mike had been fucking. She gasped and shrieked as his cock began to swell just before he came, tried to extricate herself from its tremendous force, rallied and drove her body into his with superhuman strength. They came together in an explosive mutual orgasm that drained Mike completely. For the first time in his life he passed out.

her tits as she brushed them over his lips.

Instinctively, he reached out to grab those breasts, but she would laugh, pull back her tits and thrust up her cunt until it rubbed against the tip of his cock. At this point, the musicians soared into high, piercing notes, the Guru smote the gong, and the devotees began to chant, in the Hindu tongue, the rhythmic sounds of the Veda.

The girl was now at the climax of her dance; she suddenly reached down to rip off her G-string, flung it high through

When he came to, the chauffeur was helping him out of the long black limousine at the street corner where he had been picked up three hours before.

"Young sir," the chauffeur said. "You are now one of us. The Ranee bade me tell you that you passed the test with honor. She wants you to come to next Tuesday's meeting, and I will meet you here at three p.m."

Mike walked slowly home, wondering how he could explain being late for dinner.

JESSIE
ALBA

I have a nice pool out back where I can go relax. I love where I live. There are hot guys living in my complex. One day, there was this guy who was so hot that when he came out to the pool where I was sunning, I grabbed his stuff off the patio table while he was swimming. When he came looking for it, I told him I saw this girl take it and go into the complex. He asked if I knew who she was and where she lived, I told him that I did. I had him follow me into an apartment, opened the door and told him it was my place. I took off what was left on him and proceeded to fuck his brains out. I love where I live.
